Understand your benefits

The Solinsky Financial Group, Inc.

An Independent Insurance Agency

Life – Health – Disability Insurance Employee Benefit Plans

Thank you for your interest in The Solinsky Financial Group Dental Plan. SFG acts as the Plan Administrator, but the Managed Care Plan is provided by Employers Dental Services (EDS), one of the oldest and largest Managed Care Plans in Arizona. EDS offers quality, affordable, dental services by contracting with participating Primary Care Dentists throughout Arizona. For your convenience, many of these have extended office hours.

Coverage begins the first day of the month after the initial payment and enrollment information is received by SFG. You may stay on the plan for as long as you wish, as long as you continue to pay your premiums to [The Solinsky Financial Group, Inc.](#) However, **you must remain on the plan for a minimum of one year.** Also, **coverage needs to be continuous.** You cannot get on and off the plan at will. If you do lapse, then wish to come back on, recontracting occurs and there is a fee for the time between the cancellation and recontracting dates.

There are no claim forms, no deductibles, and no yearly maximums. All pre-existing conditions are covered except for those procedures that are in progress. EDS offers an orthodontic (braces) benefit for both children and adults. Refer to the schedule of benefits for a complete list of covered procedures and member costs. When the services of a Specialist are required, the member may receive those services from a participating EDS authorized Specialist, where one is available. Where a participating EDS authorized Specialist is available, the member pays a reduced fee from the authorized Specialist's normal office charges.

The family rate is for the entire family, no matter how many children. But, children are only covered until the limiting age. You choose, single or family coverage. Follow these directions to enroll in The Solinsky Financial Group Dental Plan through EDS:

1. Complete the enrollment card. Select a Dental Facility from the list of participating Dentists (use the code number).
2. Make out your check to [The Solinsky Financial Group, Inc](#) for the premium amount.
3. Send the enrollment card (both copies) and the check for the premium to:

The Solinsky Financial Group, Inc.
11240 E. Calle Vaqueros
Tucson, AZ 85749

After the initial premium payment that accompanies the enrollment form, you will be billed through the mail for this valuable coverage.

Employers Dental Services

We're one of the largest pre-paid dental plans in Arizona. As a member, you have access to a high-quality dental network. Our providers meet rigorous credentialing requirements and undergo requalification every three years.

And whether you're more comfortable speaking English or Spanish, bilingual customer service and management teams in Arizona can help you out.

Your benefits

Seeing your dentist — Your dental care starts with the general dentist you select when you enroll. Make an appointment with your dentist after your coverage begins. At your first appointment, your dentist evaluates your oral health. Before any treatment begins, you can discuss your concerns and questions, and work together to achieve or maintain good dental health.

Be sure to ask your dentist which procedures he/she performs — not all dentists perform all procedures. For example, some dentists don't do extractions, or use amalgam (silver-colored) fillings. If your general dentist feels you need to see a specialist (like an endodontist, periodontist or oral surgeon), you won't need a separate referral.

It's important to keep appointments since you may be charged a fee for missed appointments. Call your dental office at least 24 hours in advance if you're unable to keep a scheduled appointment.

Cost of services — Your EDS dentist may recommend some type of dental service. Once you have a treatment plan, staff at the dental office explain the costs you're responsible for. Need to see a specialist? With our network of dental specialists, you get up to **25% off** the normal office fees.

For each appointment, you're charged an office visit fee plus the cost for any services. Keep in mind, payment is due at the time you receive services.

You can check out your savings in the **covered services and cost** section in this book. It compares your cost to the average cost of a procedure without EDS benefits.

What's covered — With this coverage, the services you think should be covered are — like exams, cleanings and fillings. Plus, you get extra discounts on eyewear.

For a complete listing of covered dental services, refer to the **covered services and cost** section in this book.

Orthodontic benefits for children and adults — If you need orthodontic treatment (including braces), this coverage provides the extra care you need. And, you benefit from no waiting periods, no required referrals and no lifetime benefit maximums.

Visiting an EDS orthodontist means you save **25% off** normal and customary fees. Keep in mind, to get this discount, you must have EDS coverage for the duration of treatment.

Orthodontists typically require you sign a contract for treatment. After signing it, you get a treatment plan and payment terms. If you already have orthodontia treatment in process, you're not eligible for this service.

Temporomandibular Joint Disorder (TMJ) — Having TMJ (problems with your jaw and the muscles in your face that control it) can be difficult. If you have TMJ and need extra care, EDS covers procedures and services for that treatment. And, when you visit an EDS TMJ dentist, you save up to **25% off** the office fees. Plus, you don't need a referral.

Emergency care benefits — Sometimes, emergencies happen. Fortunately, your EDS plan covers the temporary relief of pain, bleeding and acute infection.

For a dental emergency, you're reimbursed up to \$200 less any costs you'd normally be charged for treatment. If you have a dental emergency:

- 1 Contact your general dentist first. If you're unable to reach your dentist, you may seek care immediately from any licensed dentist.
- 2 Mail a copy of your paid, itemized receipt (in English) to EDS within 90 days, so you can be reimbursed.
- 3 Follow-up with your general dentist for additional care or treatment.

Also, any dental services for which the member is reimbursed, entitled to reimbursement, or is in any way indemnified for such expenses by, or through any public, state, federal or local program, or any program of medical benefits sponsored and paid for by the federal, state, county or municipal government or any program of medical benefits sponsored and paid for by the federal government or any agency thereof.

Grievance and appeals

EDS members can ask EDS to review its decisions involving their requests for services or requests to have claims paid. EDS members have two levels of review available to them.* They are Standard Appeals Level 2 (formal appeal) and Level 3 (external independent dental review).

There are two types of appeals: an expedited appeal for urgent matters and a standard appeal. Each type of appeal has 3 levels. The appeals operate in similar fashion, except that expedited appeals are processed much faster because of a patient's condition.

Levels	Expedited appeals For urgently needed services you haven't yet received	Standard appeals For non-urgent services or denied claims
1	Expedited dental review	Informal reconsideration
2	Expedited appeal	Formal appeal
3	Expedited external independent dental review	External independent dental review

How to submit a request for a formal appeal

Send a **written** request to:

EDS Grievance and Appeals Coordinator
3430 East Sunrise Dr., Suite 160
Tucson, AZ 85718

Phone: 800-722-9772

Fax: 520-696-4311

The group policy and/or the individual enrollment and coverage guide determines all of the rights, benefits, qualifications and exclusions of the insurance described here.
